

# ATTENTION

The Siuslaw National Forest Headquarters office has moved to the Corvallis Forestry Sciences Lab located on the Oregon State University campus. Due to the limited number of visitor parking spaces at the new headquarters the timber sale auction will be held at our new warehouse location adjacent to Home Depot.

Initial bids for the Oral Auction may be dropped off at the warehouse location starting on April 19, 2012 at 9:00 AM followed by the Oral Auction at 10:00 AM.
